Open Space User Questionnaire	1

1 OPEN SPACE USER QUESTIONNAIRE

Robust data may be required to ascertain the sensitivity of receptors and resources. This should include information on the demographics of users and patterns of use. This data should be drawn from the questionnaire below, to be carried out on users of the open space.

We work for Arup and we are working on behalf of London Luton Airport Ltd. (LLAL) as part of its development east of London Luton Airport. We have been appointed to survey the public open spaces to understand more about their usage. Please can we ask you a few questions.
